Proper Foods | 100 First Street

Proper Foods has reached double-digits! In May 2014 they opened their doors at 100 First Street and officially introduced Proper Food to our SF neighbors. Ten years later, hundreds of recipes and eighteen stores later across California and New York, we're excited to celebrate with them.

Put on your birthday hats and get ready to open the gifts. It's their birthday but the gifts are for you: win free Proper for a Year, a gift card or a special edition tote bag! Enter to win by visiting any of their stores and scanning the QR code at the counter.
